

# **PETS AND SPORTING ANIMALS LABORATORY TEST FEES RULES, 1987**

**(G.N.S. 16 of 1987)**

In exercise of the powers conferred upon him by subsection (1) of section 68 of the Animals Ordinance, 1962, and all other powers thereunto him enabling, the Yang di-Pertua Negeri, Sabah, has made the following Rules:

1. These Rules may be cited as the Pets and Sporting Animals Laboratory Test Fees Rules, 1987.
2. The fees prescribed in the Schedule shall be charged for services rendered by the Department of Veterinary Services for laboratory tests of pets, sporting animals and all other animals excluding cattle, buffaloes, sheep, goats, swine, domestic fowls, ducks, geese, turkeys and pigeons.
3. (1) The Director of Veterinary Services, or any other person authorised by him in writing, may reduce or exempt the fees as prescribed in the Schedule.  
  
(2) Exemption may be granted in the following cases:
  - (a) Rabies investigation.
  - (b) Dogs belonging to any unit of the Royal Malaysian Police, the Customs Department or any units of the Armed Forces or any unit of the Government Security Organisation.
  - (c) Research investigation approved by the Department of Veterinary Services.
  - (d) Zoo and aquarium animals.

SCHEDULE

| <i>Test</i>   | <i>Fees Payable</i> |
|---|---------------------|
|   | RM                  |
| <b>MICROBIOLOGY</b>   |                     |
| Examination of faeces, pus, body fluid, blood, semen etc.                                     |                     |
| One examination ... ..  | 2.50                |
| Sensitivity test.   |                     |
| One examination ... ..  | 3.50                |
| Parasite Identification.  |                     |
| One examination ... ..  | 2.50                |
| Examination of animal fee for export.   |                     |
| One examination ... ..  | 10.00               |
| Serological test.   |                     |
| One examination ... ..  | 2.50                |
| Examination of Organs from dogs, cats and small animals ...                                   | 5.00                |
| If more than 5 specimens are examined for each case, fees for each additional specimen ... .. | 2.50                |
| Examination of organ from a horse.  |                     |
| One examination ... ..  | 20.00               |

DISEASE INVESTIGATIONS

Performance of post mortem

|  |        |
|--|--------|
| Dogs, cats and other small animals (including microbiological, parasitological, and histopathological test) ... .. | 15.00  |
| Horse, (including microbiological, parasitological and histopathological tests) ... ..                             | 100.00 |

HISTOPATHOLOGICAL TESTS

Dogs, cats and other small animals

|   |      |
|---|------|
| 1 test, but less than 5 specimens ... ..  | 5.00 |
| If more than 5 specimens are examined for each case, the fees for each additional specimen ... .. | 2.50 |

Horse

|  |       |
|--|-------|
| 1 test ... ..  | 20.00 |
| If more than 5 specimens are examined for each case, the fees for each such additional specimen ... .. | 2.50  |

BIOPSY

|                        |      |
|------------------------|------|
| One examination ... .. | 5.00 |
|------------------------|------|

PARASITOLOGY

Faecal examination for trematodes/nematodes/cestodes and coccidia

|                        |      |
|------------------------|------|
| One examination ... .. | 2.50 |
|------------------------|------|

|  |       |
|--|-------|
| Faecal examination for trophozoites and cysts (amoebiasis) E                             |       |
| Entamoeba coli/E.histolytica   |       |
| One examination ... ..   | 2.50  |
| Blood examination for protozoan parasites  |       |
| One examination ... ..   | 2.50  |
| Blood examination for heart worm   |       |
| One examination ... ..   | 2.50  |
| Examination of organs from dogs, cats and other small animals<br>for protozoan parasites |       |
| One examination ... ..   | 5.00  |
| Examination of organs from horse for protozoan parasites                                 |       |
| One examination ... ..   | 20.00 |
| Examination for ectoparasites  |       |
| One examination ... ..   | 1.00  |
| HAEMATOLOGY  |       |
| Complete Blood picture   |       |
| One examination ... ..   | 7.00  |
| Total Red Blood Cell Count (TRBC)  |       |
| One examination ... ..   | 1.50  |
| Total White Blood Cell Count (TWBC)  |       |

|   |      |
|---|------|
| One examination ... ..                    | 1.50 |
| Packed Cell Volume (PCC)                  |      |
| One examination ... ..                    | 1.00 |
| Haemoglobin (Hb) estimation               |      |
| One examination ... ..                    | 1.00 |
| Differential White Blood Cell Count (WBC) |      |
| One examination ... ..                    | 2.00 |

BIOCHEMICAL TESTS

|   |      |
|---|------|
| Urine Test (colour, specific gravity, pH, Protein, glucose, ketones, and microscopic examination of sediment) |      |
| One examination ... ..  | 1.50 |
| Total serum protein (including albumin/globulin ratio)  |      |
| One examination ... ..  | 4.00 |
| Blood Urea nitrogen   |      |
| One examination ... ..  | 4.00 |
| Serum Calcium   |      |
| One examination ... ..  | 4.00 |
| Serum Phosphorus  |      |
| One examination ... ..  | 4.00 |
| Serum Magnesium   |      |

|  |       |
|--|-------|
| One examination ... ..   | 4.00  |
| Serum Glutamic-Oxaloacetic Transminase (SGOT)                      |       |
| One examination ... ..   | 4.00  |
| Serum Glutamic-Pyruvic Transaminase (SGPT)                         |       |
| One examination ... ..   | 4.00  |
| Alkaline Phosphatase   |       |
| One examination ... ..   | 4.00  |
| Creatinine Phospholonase (PK)                                      |       |
| One examination ... ..   | 4.00  |
| Bilirubin  |       |
| One examination ... ..   | 4.00  |
| FEED ANALYSIS  |       |
| Moisture, fat, crude fibre, protein, Ca, P, NPE, Ash, gross energy |       |
| One examination ... ..   | 20.00 |
