(2) In addition to the functions and duties conferred on the State Water Authority by this Enactment or regulations made under this Enactment, the State Water Authority shall have the general control and supervision of all Water Supply Authorities in the State.

(3) No person shall supply water for public consumption without a licence issued by the State Water Authority, except in areas where water is not supplied from the waterworks and the means of supply is by an alternative supply system on a temporary basis sanctioned by the State Water Authority.

(4) In the discharge of its functions and duties, the State Water Authority shall comply with such directives as may be given by the Minister from time to time.

**Power to delegate**

**7A.** (1) The State Water Authority may, in writing, delegate any of his functions or powers subject to such conditions, limitations or restrictions as he thinks fit, to any officer, and such person to whom the functions or powers is delegated shall perform the functions or powers in the same manner and with the same effect as if the functions or powers had been conferred on him under this Enactment.

(2) A person purporting to act pursuant to a delegation made under this section shall, in the absence of proof to the contrary, be presumed to be acting in accordance with the terms of the delegation.

(3) A delegation made under this section may at any time be revoked by the State Water Authority.

(4) A delegation made under this section shall not preclude the State Water Authority from carrying out at any time the delegated functions or powers.

**Power to fix public standpipe and fire hydrant**

8. It shall be lawful for the State Water Authority to fix public standpipe and fire hydrant together with the connection to the waterworks in, under or over any street or road and such standpipes and hydrants shall remain vested in the State Water Authority.

**Power to lay water mains, etc**

9. The State Water Authority may make, construct, provide, repair and alter such mains and other waterworks as may be necessary for supplying any area of supply and the inhabitants thereof with water and, in executing such works, may carry such mains and other waterworks through, across or under any street or road, or any place laid out or intended for a street or road, or any premises under any street or road:

Provided that –

- (a) as regards to any street or road which is a State or Federal road, the State Water Authority shall comply with the provisions of any written law when executing any works on such street or road;
- (b) whenever any street or road, or any place laid out or intended for a street or road, or any premises under any street or road, are opened or broken up in the execution of such works, the State Water Authority shall, with all convenient speed, complete the work for which the same shall be opened or broken up, and reinstate and make good such street, road, place or premises; and
- (c) the construction, laying, repair and alteration of such mains shall only be undertaken by mains layers licensed by the State Water Authority.

**Power to enter on land for purposes of construction**

10. (1) Whenever it is necessary, for the purpose of making, constructing, providing, repairing or maintaining any mains or other waterworks under this Enactment, the State Water Authority may lay, place or carry on, under or over any land, mains and other waterworks.

(2) Before entering on any land for the purpose specified in subsection (1), the State Water Authority shall, except in the case of urgency, give notice to the owner or occupier of such land, stating as fully and accurately as possible the nature and extent of the works intended to be done.

(3) Such notice required under subsection (2) shall be deemed to be properly served if sent by registered post or left at the usual or last known place of abode of the person to whom it is to be served or, if the usual or last known place of abode of such person cannot be ascertained, by fixing the notice conspicuously on some part of the land.

**Power to enter into premises**

11. (1) The State Water Authority may enter into any premises without notice at any reasonable time to –

- (a) inspect any supply pipe and to ascertain whether there is any waste, leakage, obstruction, alteration, interference or damage to any supply pipe or meter therein, and anything in connection therewith;
- (b) regulate and repair any supply pipe or meter;
- (c) ascertain the consumption;
- (d) disconnect the supply pipe to any premises, or to diminish, withhold or suspend, stop, turn off or divert the supply of water to any premises through or by means of any supply pipe, either wholly or in part; and
- (e) repair, alter, take up, re-lay, re-arrange or otherwise to deal with any supply pipe or meter, as circumstances may require.

(2) Without prejudice to subsection (1), the State Water Authority may in the case of urgency enter into any premises at any time.

**Power to restrict, suspend, etc., the supply of water**

12. (1) Without prejudice to any water rate, meter rent or other sums due or to become due under this Enactment or regulations made under this Enactment, it shall be lawful for the State Water Authority to restrict, withhold or suspend, stop, turn off or divert the supply of water through or by means of any mains, supply pipe or public standpipe, either wholly or in part, whenever –

- (a) the available supply of water from the waterworks shall, in the opinion of the State Water Authority, be insufficient;

- (b) it may be expedient or necessary for the purpose of extending, altering, testing or repairing the waterworks, or for the purpose of the connection of supply pipes or fire hydrants;
- (c) any public standpipe is damaged or the waters thereof are polluted or wasted;
- (d) there is an outbreak of fire; or
- (e) there is a breakdown in the waterworks.

(2) In carrying out the powers conferred under subsection (1), the State Water Authority shall not be held liable for any damage or loss which may result from such restriction, withholding or suspension, stoppage, turning off or diversion.

#### **Power to demand deposit**

13. (1) The State Water Authority shall fix the amount of, and to demand in advance, deposits from consumers to cover the amount due or to become due for the meter rent and for chargeable water at any premises, and for works to be carried out by the State Water Authority.

(2) The State Water Authority shall hold such deposit for such period as it deems necessary and it shall bear no interest.

(3) Without prejudice to subsection (2), the State Water Authority may exercise any of its power under this Enactment.

#### **Capital contribution**

14. The State Water Authority shall determine and collect capital contribution from consumer where applicable, towards the capital outlay necessarily incurred for the supply of water as prescribed by the regulations made under this Enactment.

#### **Recovery of monies**

15. (1) Any monies due under this Enactment shall be deemed to be debt owed to the State Water Authority and shall carry interests at the prevailing statutory rate.

(2) A certificate issued as provided in the First Schedule by the State Water Authority shall be conclusive proof of such debt unless the contrary is proved in Court, be evidence of the non-payment thereof.

#### **Set-off and combining of account**

**15A.** The State Water Authority may, without notice to the consumer, combine, consolidate or merge all or any of the consumer's accounts with, and liabilities to, the State Water Authority and may set-off or transfer any sum standing to the credit of any such accounts in or towards satisfaction of any of the consumer's liabilities to the State Water Authority, and may do so notwithstanding that a suit in respect of such liabilities instituted on the date of set-off or transfer may be dismissed pursuant to the Limitation Ordinance [*Sabah Cap.72*].

### PART III LICENSING

#### **Licensing**

**16.** (1) No water supply undertaking under section 20(1) shall be managed by any entity unless licensed by the State Water Authority under subsection (3).

(2) Any application for the grant of a licence under this Part shall be made in writing and shall contain, or be accompanied by, such information and documents as may be specified by the State Water Authority for the purposes of determining the application and the suitability of the applicant for the licence.

(3) Upon receiving any application made in accordance with subsection (2), the State Water Authority may –

- (a) issue the licence upon payment of the prescribed fees and the security required under subsection (5); or
- (b) refuse to issue the licence.

(4) Every licence issued shall set out–

- (a) the name and address of the licensee;
- (b) the duration of the licence;
- (c) the area of supply;

- (d) the types of services or facilities to be provided by the licensee;
- (e) the annual licence fee payable by the licensee;
- (f) the code of practice as prescribed by the regulations made under this Enactment;
- (g) the particular duties of the licensee in respect of the services or facilities provided by it; and
- (h) such other matters or conditions as the State Water Authority thinks fit.

(5) Before the issuance of any licence, the State Water Authority shall impose security for the sum to be specified and furnished by the applicant for the due compliance of the terms and conditions of the licence and any regulations made under this Enactment.

(6) A licence shall not be transferable unless with the written consent of the Minister.

#### **Notice to perform**

17. (1) If it appears to the State Water Authority that a Water Supply Authority has failed to carry out any of its duties under the licence, the State Water Authority may give notice in writing to the Water Supply Authority requiring it to perform such duties within the period prescribed in the notice.

(2) If upon the expiry of the period prescribed in such notice, the Water Supply Authority fails to carry out the duties mentioned therein, the State Water Authority may suspend or revoke the licence.

#### **Suspension and revocation of licence**

18. Any licence issued to a Water Supply Authority may be suspended or revoked if –

- (a) there has been any breach of any condition of the licence or provision of this Enactment or any regulations made under this Enactment;
- (b) there has been a breach by the Water Supply Authority of the terms and conditions of the Agreement referred to in section 21;
- (c) the water supplied does not meet the standards set by the Health Authority for water; or

- (d) the Water Supply Authority has become insolvent, or a liquidator or receiver has been appointed by a Court or by its creditors.

### **Appeal**

**19.** (1) A Water Supply Authority may appeal to the Minister against the suspension or revocation of its licence by the State Water Authority.

(2) Every such appeal shall be made in writing stating the grounds of appeal within fourteen days from the date on which the decision of the State Water Authority is served on the Water Supply Authority.

(3) Upon service of such appeal, the Minister shall make a decision within a reasonable time and the decision shall be final and conclusive.

(4) During the appeal period, where a licence is suspended or revoked under section 18, the State Water Authority may, if it considers that such suspension or revocation would materially affect water supply to the consumers, with the consent of the Minister –

- (a) take temporary possession of any water supply undertaking;
- (b) operate any water supply undertaking; and
- (c) engage any servant or employee,

of the Water Supply Authority.

(5) No compensation shall be paid to the Water Supply Authority in the event of suspension or revocation of the licence.

## PART IV ESTABLISHMENT, FUNCTIONS AND DUTIES OF THE WATER SUPPLY AUTHORITY

### **Appointment or establishment of Water Supply Authority**

**20.** (1) The State Water Authority may, with the approval of the Minister, appoint or establish a Water Supply Authority for the whole or any particular area of supply in the State of Sabah.

(2) Such appointment or establishment of the Water Supply Authority pursuant to subsection (1) shall be published in the *Gazette*, and the *Gazette* notification shall state-

- (a) the area of supply;
- (b) the rates or tariffs to be charged for water supplied to consumers; and
- (c) any other matter incidental thereto.

(3) The Water Supply Authority shall have the custody, management and administration of the waterworks and of the water therein and the management of the supply and distribution of such water within its area of supply, subject to the general control and supervision of the State Water Authority.

(4) It shall be the duty of the Water Supply Authority to supply water to consumers within its area of supply subject to the provisions of this Enactment and any regulations made under this Enactment.

#### **Agreement with the Government**

21. The management and administration of the Water Supply Authority shall be governed by an Agreement between the Government and the Water Supply Authority.

#### **Compliance to directions, instructions and guidelines of the State Water Authority**

22. The Water Supply Authority shall comply with all directions, instructions and guidelines relating to the water supply undertaking issued by the State Water Authority.

#### **Water treatment chemicals**

22A. No chemical other than that approved by the State Water Authority shall be used for the treatment of water to be supplied to the public, and the use and storage of such approved chemicals shall be in accordance to the methods, specifications and practice approved by the State Water Authority.

### PART V WATER SUPPLY

#### **Construction and connection of supply pipes and fittings**

23. (1) Any consumer shall make arrangement with the State Water Authority or a licensed pipe fitter to construct a supply pipe in any premises for the supply of water from the waterworks.

(2) Every supply pipe and fitting shall be constructed, and the type, size and quality of the materials and fittings used therewith shall be in accordance with regulations made under this Enactment.

(3) Upon completion of such construction to the satisfaction of the State Water Authority it shall be connected to the waterworks, subject to –

- (a) the consumer entering into such agreement with the State Water Authority for the supply of water;
- (b) payments of such charges for such connections as prescribed by the regulations made under this Enactment; and
- (c) payments of such contributions as shall be determined from time to time by the State Water Authority, towards the capital outlay necessarily incurred to provide the supply.

(4) Notwithstanding the provisions of subsections (1), (2) and (3), the State Water Authority shall not connect with the waterworks the supply pipes of any premises which are-

- (a) more than fifty meters from a supply main; or
- (b) at an altitude higher than that to which water from the waterworks can be supplied by gravitation,

unless otherwise directed by the State Water Authority and the additional cost thereof shall be borne by the consumer.

(5) Nothing in this section shall be deemed to restrict the fixing of any public standpipe to be provided by the State Water Authority.

#### **Costs relating to supply pipes**

**24.** The cost of constructing, altering or repairing all supply pipes shall be borne by the consumer.

#### **Supply pipes may be repaired by State Water Authority**

**25.** State Water Authority may at its discretion, repair any part of a supply pipe at the request of the consumer and, on completion thereof, the consumer shall pay the costs of such repairs.

#### **Vesting of communication pipes and repairs of such pipes**

**26.** All communication pipes at present existing or hereafter laid may be vested in the Water Supply Authority; and the Water Supply Authority shall, at its own expense, carry out any necessary works of maintenance, repair or renewal of such pipes, and any work on their supply main and incidental thereto.

### **Measurement of water supplied**

27. (1) All water supplied to premises through supply pipes shall be measured by meter or otherwise measured or charged for in such manner as shall be determined by the State Water Authority.

(2) The reading in the meter shall be prima facie evidence of the quantity of water supplied unless the contrary is proved in Court.

(3) The State Water Authority shall fix the meter or cause the meter to be fixed at such part of the premises of the consumer in accordance with the regulations made under this Enactment.

### **Debt owing**

28. (1) All chargeable water shall be paid to the State Water Authority within fourteen days from the date of service of the water bill. Failure to pay such bill shall be deemed to be a debt due to the State Water Authority.

(2) A certificate issued as provided in the First Schedule shall be conclusive proof of the debt until the contrary is proved in Court.

### **Duty of consumer to report**

29. Upon signing the agreement and upon the State Water Authority supplying water to the premises, it shall be the duty of a consumer to report to the State Water Authority, for any water bill which has not been received for the prescribed billing period. The State Water Authority shall immediately investigate and take steps to issue such bill.

### **Rewards**

29A. The State Water Authority may order such rewards as he thinks fit to be paid to any person for services rendered in connection with the detection of any offence under this Enactment or any regulations made under this Enactment, or in connection with any seizures made under this Enactment.

### **Disconnection of supply pipes**

30. (1) The State Water Authority shall disconnect the supply pipe of any premises from the waterworks by severing the service pipe or by taking such other means as he thinks fit and proper notwithstanding any water rate, meter rent or other sums due or to become due under this Enactment or regulations made under this Enactment –

- (a) unless the consumer, within fourteen days from the date of service of written notice in that behalf or such extended time as the State Water Authority may allow, gives an undertaking satisfactory to the State Water Authority to pay to the State Water Authority the amount due for charges of water and for meter rent in accordance with regulations made under this Enactment;
- (b) if default is made in the payment of any deposit which the State Water Authority may demand, or of any monies due including any installments from the consumer, for so long as the default continues;
- (c) if the construction, alteration or repair of any supply pipe and fittings by a consumer is not carried out to the satisfaction of the State Water Authority in accordance with the provisions of this Enactment or any regulations made under this Enactment, or if such construction, alteration or repair is carried out without the approval of the State Water Authority;
- (d) if any consumer is found to be wilfully or negligently wasting water supplied from the waterworks through the supply pipe to his premises; or
- (e) if any act or thing is done or omitted contrary to the provisions of this Enactment in relation to any damage, alteration, pollution or abuse of the waterworks, or of any supply pipe, fittings or fire hydrant and appurtenances.

(2) The State Water Authority shall not be held liable for any loss or damage to any consumer or person or property as a result of such disconnection.

(3) The State Water Authority may recover the costs of disconnecting and reconnecting the water supply from the consumer and until all sums payable have been paid, the State Water Authority shall not be obliged to reconnect the supply of water to the affected premises.

## PARTVI

### RESTRICTION OF WATER SUPPLY

#### **Disconnection of water supply**

**31.** If it appears to the State Water Authority that there is reasonable cause to believe that any premises have been used or are about to be used for the commission of an

offence under this Enactment or under any regulations made under this Enactment or under any written law or on such other grounds as he may deem fit the State Water Authority may disconnect the supply of water to the said premises.

**Disconnection for failure to remedy or rectify**

**32.** (1) The State Water Authority shall have the power to disconnect water to any premises at any time for any contravention of the provision of this Enactment or any regulations made under this Enactment provided that –

- (a) he shall inform the owner or occupier or the management corporation of such premises, in writing prior to such disconnection and the reason for so doing; and
- (b) no disconnection of water supply shall be carried out unless the consumer has failed to remedy or rectify the default or contravention within the time prescribed in the written notice.

(2) The State Water Authority may recover the costs of disconnection and reconnection of the water supply from the owner or occupier or management corporation as the case may be of such premises.

(3) The State Water Authority shall not be held liable for any loss or damage to any person or property as a result of any disconnection made under this section.

**State Water Authority may temporarily cease and reduce water supply**

**33.** (1) The State Water Authority may temporarily cease the supply of water to any premises without any prior notice being given for the purpose of carrying out essential maintenance of and repairs or alterations to any water supply system or part thereof.

(2) The State Water Authority may reduce or divert wholly or in part, water in any pipe or any part of any water supply system, due to a breakdown in the water supply system or part thereof, the outbreak of fire, excessive drought or any other cause, if the State Water Authority is of the opinion that the supply of water is insufficient or unsafe for the purpose of supply to the public.

**Restrictions during water supply emergency**

**34.** (1) Where the water supply is insufficient due to excessive drought, industrial unrest, strike, lock-out or any other event which gives rise to an emergency or any other unforeseen circumstances, the State Water Authority may, by notification in the *Gazette* –

- (a) declare a water supply emergency;
- (b) prohibit or restrict the use of water –
  - (i) generally or for specified purposes;
  - (ii) during specified hours of the day or otherwise; or
  - (iii) in a specified manner; and
- (c) determine and impose –
  - (i) limits on the quantities of water which may be consumed over any specified period;
  - (ii) any surcharge in respect of the consumption of water in excess of any limit imposed above; and
  - (iii) any other conditions as the State Water Authority may deem necessary.

(2) The State Water Authority may –

- (a) limit the application of subsection (1) to specified areas, groups, classes of persons, premises or activities; and
- (b) suspend or waive any provisions of this section.

(3) The State Water Authority may after declaring a water supply emergency, take temporary possession of any water supply system from any Water Supply Authority and operate it in such manner as it deems fit and take or cause to be taken such measures including the installation of restrictive, controlling and measuring devices and the regulation and control of the disposition of appliances, as may be necessary, to ensure compliance with this section.

#### **No liability for stoppage or reduction of supply**

**35.** The State Water Authority and the Water Supply Authority, and their servants and agents shall not be liable to any action for breach of contract on account of any disconnection or stoppage or reduction or restriction of water supply under section 33 or 34.

#### **Prosecution**

**36.** No prosecution for an offence under this Enactment shall be instituted except by or with the written consent of the Public Prosecutor.

**Civil actions**

**37.** No fine or punishment imposed under this Enactment shall affect or prejudice the powers of the State Water Authority under section 30 nor shall anything in this Enactment be held to prevent proceedings by civil suit against any person for damage caused to any waterworks.

PART VII  
ENFORCEMENT

**Interpretation**

**37A.** In this Part, “conveyance” means any vehicle, vessel, ship, aircraft or any other mode of transportation whether by air, sea or land.

**Authorized officer**

**37B.** (1) The State Water Authority may in writing authorize any public officer to be an authorized any public officer to be an authorized officer to exercise the powers of enforcement under this Enactment.

(2) An authorized officer shall exercise all powers vested in him under this Enactment.

**Authority card**

**37C.** (1) The State Water Authority shall issue an authority card to each authorized officer which shall be signed by the State Water Authority.

(2) Whenever an authorized officer exercises any of the powers under this Enactment or any regulations made under this Enactment, he shall on demand, produce to the person against whom the power is being exercised, the authority card issued to him under subsection (1).

**Power of investigation**

**37D.** (1) An authorized officer shall have the power to investigate the commission of an offence against this Enactment or any regulations made under this Enactment.

(2) An authorized officer may, in relation to an investigation in respect of an offence committed against this Enactment or any regulations made under this Enactment,

exercise all or any of the powers in relation to police investigation, except the power to arrest without warrant, given under the Criminal Procedure Code [Act 593].

**Search with warrant**

**37E.** (1) If it appears to a Magistrate, upon written information on oath and after such inquiry as he considers necessary, that there is reasonable cause to believe that –

- (a) any premises have been used or are about to be used for; or
- (b) there is in any premises evidence necessary to the conduct of an investigation into,

the commission of an offence under this Enactment or any regulations made under this Enactment, the Magistrate may issue a warrant authorizing an authorized officer named in the warrant, at any reasonable time by day or by night and with or without assistance, to enter the premises and if need be by force.

(2) Without affecting the generality of subsection (1), the warrant issued by the Magistrate may authorize the authorized officer to –

- (a) search for any equipment, device, appliance, material, book, record, account, document or other thing as he may consider necessary;
